

1.2 Assessment of erosion impact

82. Agnihotri, Y., Gupta, R.K., Sud, A.D. and Mishra, P.R. 1982. Determination of crop management factor and conservation factor of the Universal Soil Loss Equation. *Indian J. Soil Conserv.*, 10(1):23-25.

Crop management factors (C) and erosion control practices factor (P) as defined in the Universal Soil Loss Equation have been determined for maize crop raised in a plot banded
