

# DIRECT BENEFIT TRANSFER (DBT) MIS FOR DARE-ICAR

<https://dbtdare.icar.gov.in>

Direct Benefit Transfer (DBT) is an initiative of Government of India for transfer of benefits in all government schemes directly to the beneficiaries' account. In the Department of Agricultural Research and Education (DARE)-Indian Council of Agricultural Research (ICAR), the beneficiaries are the farmers, students, faculties and researchers. In the DBT applicable schemes the benefits are received by the beneficiaries either in terms of cash or in kind. A Management Information System (MIS) (<https://dbtdare.icar.gov.in>) has been developed which captures record of individual transaction under DBT applicable schemes of DARE-ICAR.

## Main Features of the MIS:

- The nodal officers upload DBT applicable schemes related data in the MIS on monthly basis.
- The Monthly Progress Report (MPR) for each of the schemes is approved by the Nodal Officer DBT cell, DARE-ICAR.
- The MPR data is transferred to the DBT Bharat Portal (<https://dbtbharat.gov.in>) which is integrated with DBT-DARE MIS through web service.
