

- 560.** Tyagi, P.C. and Koranne, K.D. 1984. *Ragi* varieties for rainfed areas of Doon Valley. *Indian Fmg.*, 34(3):17.

Varietal screening to identify early maturing, disease-resistant and high-yielding *ragi* (*Eleusine coracana*) varieties suitable for the rainfed agriculture of Doon Valley was done. As a result, varieties 'RAU-2', 'HR-374', 'TNAU-169', 'RAU-7' and 'TNAU-167' have been identified.
