

820. Singh, Pratap, Mittal, S.P. and Sud, A.D. 1985. *Shiwalik Kshetra mein bhoomi aur jal prabandh*. *Kheti*, 38(3):18-21.

The article describes the importance of soil and water management in the Shiwalik region comprising parts of States like Punjab, Himachal Pradesh, Haryana and Uttar Pradesh, where agriculture is largely dependent upon the rains. It deals with land levelling, effective drainage systems, improved techniques of conservation agronomy, rain water harvesting and its recycling. Data has been provided to show the effect of soil and water management and supplementary irrigation from harvested runoff water on the yields of different crops grown in the region.
