

826. Sud, A.D., Mittal, S.P. and Mishra, P.R. 1986. Raise *bhabar* grass in *Eucalyptus* plantations. *Indian Fmg.*, XXXV(12):11 & 33.

Describes how successfully the *bhabar* grass (*Eulaliopsis binata*) can be grown with *Eucalyptus* trees in the Shiwalik region. Yield data for both has been given. It recommends that this system will be useful specially to small and marginal farmers for increasing their income from the sale of the grass.
