

107. Das, D.C. and Ram Babu. 1979. Computation and estimation of rainfall energy and erosion indices in metric units. *Indian For.*, 105(3):217-222.

Discusses the procedure for computation of erosion index values (EI) in metric units and also to convert the EI values already available in FPS units. Estimation of rainfall energy from rainfall amount and EI values from the product of rainfall amount and maximum intensity for a selected duration for a number of locations are suggested.
