

193. Dadhwal, K.S. and Sharma, N.K. 1989. *Himalaya ke Mussoorie kshetron mein 'Krishi Vaniki' ka mahatva aur sambhavnayen. Himalaya: Man and Nature, XII(5): 25-28.*

Describes potentials of agroforestry in the villages around Mussoorie in the West Himalayas. The study based on a survey gives farmers' choice for tree-fruit trees and fodder grass species in this region. It also gives basic information on the agricultural crops, natural vegetation, climate, size of holdings and the present status of agroforestry practices.
