Preserve, Bridge, Fasten Privileged Gateway Access to KVC Alunet

The vision of KVC Alunet is to build a vibrant multicultural Alumni association & create a dedicated virtual environment for perfect social networking, wherein everyone can contribute towards a flourishing member level interaction under agricultural universities. Alumni registered in the network have the provision to connect efficiently with other alumni, effectively interact in real time and participate in various events, webinars, conferences etc. Alumni members can even get in touch with researchers, college students and faculties regarding the ongoing research and collaboration.

Significant Features

- ▶ This is a cloud based University alumni web portal with enhanced automation that makes the whole process of registration easy and effective. The admission details of the university students from any of the agricultural universities, colleges, get instantly uploaded onto Alumni Network.
- ▶ This multifaceted portal incorporates all the resources that offer nanosecond update, of chat interactions, post, notifications, membership access, with emphasis on all the benefits of a top-niche professional networking site.
- ▶ The Alumni Network home page works, as a big collage, consolidating information, of all the updates of seminars, webinars, online conferences, images updates and lecture details.
- ▶ Fellow alumni can easily follow the relevant threads of real-time event updates and the Alumni members working in a corporate can interact with all ICAR university academic program and guide students into polishing their career.
- ▶ The web presence of Alumni Network is compatible, to its nascent use on Smartphone Android, IOS, Mac, Windows Desktop and tablet.
