

- 254. Joshi, B.P., Singh, P.N., Singh, Gurmel and Bonde, W.C. 1989. Water Management in High Rainfall North-West Foothills (Ed. R.P. Singh). Bulletin No. T-21/D-17, CSWCRTI, Dehradun, 33 p.**

In this Bulletin, the authors have attempted to consolidate the research work done on the technical aspects of improved practices of water management in the foothills and valley areas of Western Himalayas. The results of practical utility have been summarised for the benefit of farmers and extension workers in this region.
