

450. Sewa Ram and Khybri, M.L. 1979. *Doon ghati ke liye garmiyon mein moong. Kheti*, 32(2): 23-25.

Improved package of practices for raising summer *moong* (pulse crop) in Doon Valley after the harvest of *rabi* wheat are discussed. In addition to increasing the production of pulses in the region, the *moong* crop would provide ground cover during the lean period and would also generate employment opportunities.
