

858. **Agnihotri, Y., Bansal, R.C., Singh, Prahlad and Mittal, S.P. 1989.** Climatological Features of Chandigarh. Bulletin No. 1-20/C-1, CSWCRTI, Research Centre, Chandigarh, 45 p. + Annexures p. I-LXXVIII.

In this publication, the authors have attempted to collate, compile and suitably interpret the 29 years (1958-86) meteorological data on rainfall, temperature, relative humidity, wind velocity and its direction, evaporation, dew, sunshine hours and solar radiation, available at CSWCRTI Research Centre, Chandigarh. Climatic observations for the years 1987 and 1988 which were available after compilation of the data till 1986 have also been added and compared with the corresponding averages for the years 1958-86.
