

- 1142.** Bhardwaj, S.P. and Singh, Gurmel. 1990. Achievement of operational projects on integrated watershed management for sustained productivity and prosperity to posterity. Proc. Internl. Symp. on "Water Erosion, Sedimentation and Resource

Conservation", Dehradun, Oct. 09-13, 1990: 314-329.

The paper reviews the achievements made in various Operational Research Projects located in different remote areas in the country and concludes that ORP watersheds proved to be good models for resource planning, development and management and also transfer of technology.
