

1191. **Bhatt, P.N., Sastry, G., Vishwanatham, M.K. and Sewa Ram. 1980.** A case study of watershed management of Nalota Khala watershed in outer Himalayas. Abstract No. 13, National Symp. on "Soil Conservation and Water Management in 1980's", Dehradun, March 12-13, 1980: 8.

Nalota khala watershed of 92 ha located at 14 km from Dehradun on Dehradun-Mussoorie Highway is chosen for the case study. Suitable afforestation and scientific management practices have been recommended for the forest land as well as for farm forestry and orchards. Economics of recommended land management programme have been worked out.
