Narayanswamy, S. and Shanmugam, C.R. 1958. Cost and economics of bench terracing. *Madras agric. J.*, 45(6): 211-222.

Factors involved in the cost of bench terracing are discussed. Computation of earth work for bench terracing, vertical interval, economics of bench terracing is also given. The equations have been derived for ready use in calculating approximate cost of construction of bench terraces.
