

**1372. Mishra A.S. and Vimal Kishor, 1981. Prayog se upyog tak - Doon Ghati me Chote kisano ke liye vardan. Kheti, 33(10):21-23.**

The article highlights the achievements made on farmers' fields due to adoption of improved agronomic practices, high yielding varieties, soil and water conservation measures, tree plantations for fuel, fodder and wood, raising of fruit plants, etc., under the Lab-to-Land programme conducted at Village Chharba of Sahaspur Block in district Dehradun. It shows how the farmers got high yields and prosperity due to this programme.
