Licensor

Licensee

A. AND WHEREAS the licensee, acknowledging and accepting such absolute ownership of the licensor in the KNOW-HOW and further developments has approached the Licensor for license to use, exploit and practice the KNOW-HOW and the PROCESSES of manufacture of the ARTICLE and to sell and vend commercially ARTICLE (S) so manufactured.

AND WHEREAS the Licensor in furtherance of its objectives is agreeable to grant to the licensee such License subject to covenants and conditions hereinafter contained

NOW IT IS AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

1. INTERPRETATION

Subject to the context hereof, the following words and expressions shall be construed and interpreted, so as to have the following meanings.

A. "ARTICLE" shall mean the article or substance or product (described in Schedule-1 hereto) produced, made or manufactured by use, exercise and/or practice of the KNOW-HOW, wholly or partially, with the intent to sell and vend such article/ substance/product commercially, and shall include any other article, substance or product which has as its component or part thereof the article made or manufactured by use/ exercise of the KNOW-HOW or which is an intermediate or derivative article, substance or product as well as modifications, developments, or improvements of any of them arising out of further development work.

B. "EFFECTIVE DATE" shall mean (date of signing of agreement).

C. "IMPROVEMENTS" shall mean all refinements, developments, and alterations of and in the KNOW-HOW and/or PROCESS and/or the ARTICLE capable of improving the technical economic and/or other characteristic(s) of any of them arising out of the further development work or otherwise and "development" shall also be construed accordingly.

D. "KNOW-HOW" shall mean the technology, technical know-how, the technical knowledge, information and data (described in Schedule-II hereto.)

E. "PROCESS (ES)" shall mean the process, method or manner of manufacture of production of the ARTICLE by use, exercise and practice of the KNOW-HOW and shall include any improvements, developments or modifications thereof.

F. "PLANT" shall mean a registered/authorized manufacturing facility of MRCPMU Ltd..

2. **GRANT OF LICENSE**

In consideration of the payment of Rs. 4,00,000/- (RUPEES FOUR LAKHS ONLY) plus GST@ the prevailing Indian Government approved rate by the Licensee to the Licensor by way of Lump sum Premium and in further consideration of due and faithful observance and performance by the Licensee of the Covenants and conditions here-in-after contained, the licensor hereby grants to the Licensee the License to use and practice the KNOW-HOW and the PROCESS to manufacture the ARTICLE and to Sell and vend the article commercially on the terms and conditions herein provided.

3. **DURATION OF THE LICENSE**

This license shall come into force on the EFFECTIVE DATE and subject to covenants and conditions herein contained, will remain in force for a period of FIVE YEARS from the effective date or for a period of FIVE YEARS commencing from the date of signing the agreement.

4. **COVENANTS**

- A. The License hereby granted is and shall always be strictly non-exclusive in its nature and the LICENSOR may at its discretion grant to any other person a license or permission to use and practice the KNOW-HOW and manufacture the ARTICLE in any manner and at any time. The package shall mention that the KNOW HOW is provided by IISR, but manufactured by the Licensee and that the quality of the product is assured by the Licensee.
- B. The Licensee shall not use and practice the KNOW-HOW and/or the PROCESS for manufacture of the ARTICLE outside the PLANT without the prior written consent of the Licensor.
- C. This license shall extend to the whole of India, only for the purpose of the manufacture and sale of the ARTICLE. The ARTICLE may, however, be exported under intimation to licensor within 30 days of acceptance of each export order. All legal consequences arising out of the export of the ARTICLE shall be the liability of the Licensee
- D. The Licensee shall not at any time disclose the KNOW-HOW and/or the PROCESS to any third party or person, without prior written consent of the Licensor and shall take all possible precautions against any such disclosure. The Licensee agrees to take all

reasonable precautions to prevent any of its personnel from divulging to any other party, except as is otherwise provided herein, any know-how furnished to The Licensee by The Licensor under this Agreement. The Licensee further agrees to take all precautions to prevent any horizontal dissemination by way of training or other forms, of the **KNOW-HOW** furnished by the Licensor under this agreement

E. The Licensee shall not assign, transfer, encumber, mortgage, charge or sub-license or part with possession of the KNOW-HOW and/or PROCESS/ wholly or partially, without the prior written consent of the Licensor.

The licensee shall not at any time hereafter deny or dispute the legality, validity or enforceability of this License or any of its obligations hereunder, The Licensee shall not at any time hereafter claim any independent, exclusive or any other right to the KNOW-HOW and/or PROCESS, including the absolute property of the Licensor.

INTELLECTUAL PROPERTY

A. The Licensor is the owner of the KNOW HOW and the process for manufacturing the ARTICLE and retains all rights, interest, and title to the KNOW HOW and other technical data provided to the Licensee. The Licensor hereby grants to the Licensee non-exclusive and non-assignable license and authority to make, use, exercise, market and sell the ARTICLE based on the KNOW HOW of the Licensor

B. The Licensee shall not, either directly or indirectly, without the prior written consent of the Licensor, use any information pertaining to the KNOW HOW, technology to seek or obtain patent protection or any other intellectual property protection, either within India or any country outside India.

h. The Licensee shall not authorize any third party to use the KNOW HOW, technology or any information pertaining to the KNOW HOW or technology to seek patent protection or any other intellectual property protection by any act or omission. The Licensee shall not represent or threaten to pass off the KNOW-HOW/PROCESS as its own technology or KNOW-HOW or invention. On expiration or sooner determination of this License, the Licensee shall stop manufacture of the Article in accordance with the Knowhow provided by the Licensor. The Licensee can resume manufacture of the ARTICLE only after renewal of the License on terms and conditions agreed to in writing at that time

8. TERMINATION

A. The Licensor may terminate this License forthwith on the occurrence of all or any of the following events:

- (i) The Licensee fails to pay the Licensor any of the amounts due and-payable to it here under, including the royalties.
 - (ii) The Licensee commits any breach of other covenants and conditions to be observed and performed by the Licensee under this License and fails to rectify such breach within 15 days from its occurrence.
 - (iii) The licensee enters into composition with its creditors or any proceeding for its Liquidation or for appointment of a Receiver or for Attachment of its assets/properties is threatened or initiated in any Court of Law.
 - (iv) The Licensee fails to obtain and maintain the necessary permissions and sanctions from the appropriate authorities.
 - (v) The Licensee fails to commence manufacture of the ARTICLE in its PLANT /FACTORY within TWELVE MONTHS from the EFFECTIVE DATE or in event the Licensee is unable to set up production within stipulated period viz., 31ST December 2020 to unavoidable circumstances and causes beyond the control of the Licensee, the Licensee shall make a request in writing for extension of time limit before the expiry of the date, giving detailed reasons. This request will be carefully examined and considered by the licensor and then decided on by the Licensor. The decision of the Licensor in this regard shall be final and binding on the licensee.
 - (vi) The Licensee suspends or discontinues manufacture of the ARTICLE for a period exceeding three months without obtaining prior written permission or extension in this regard from the Licensor.
 - (vii) The Licensee represents or threatens to pass off the KNOW-HOW PROCESS (ES) and sells and vends the ARTICLE accordingly.
 - (viii) The Licensee fails to maintain quality of the product as per specifications of the Licensor or ISI/FSSAI Specifications as the case may be.
- i. B. (i) On expiration or sooner determination of this License, the Licensee shall stop

manufacture of the Article in accordance with the KNOWHOW provided by the Licensor. The Licensee can resume manufacture of the Article only after renewal of the License on terms and conditions agreed to in writing at that time.

II. Upon termination of the License as herein provided, the Licensee shall cease to have any right to use and practice of the KNOW-HOW and the PROCESS (ES) and shall return to the Licensor or its nominee all information data or documentation within such time as may be specified by the Licensor provided that such termination shall not in any event, discharge the Licensee of its obligations and liabilities under and in terms of Clause 6 and Clause 7 thereof.

C. Nothing in this Clause 8 shall annul or abridge other rights and remedies of the Licensor under this License Agreement or in law.

9. INDEPENDENT PARTIES

A. The Licensee hereby agrees that this Agreement shall not in any way constitute or be presumed to constitute a partnership, joint venture or joint enterprise in any way or for any purpose between the Parties hereto or make them in any way liable as partners of or as agents for one another. No Party has the authority to act for or to assume any obligation or responsibility on behalf of the other Party.

None of the parties hereto shall be construed as an agent or representative of the other party.

10. WAIVER

No waiver by either party of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by either party of the same or any other provision. None of the terms of this Agreement will be held to have been waived or altered unless such waiver or alteration is in writing and signed by both the parties hereto.

A. Nothing in this Agreement will be construed as a warranty or representation that anything made, used, sold, or otherwise disposed of under any license granted in this Agreement is or will be free from infringement of patents of third parties

a. Except as specifically set forth herein, the Licensor makes no representations or warranties, either express or implied, arising by law or otherwise, including, but not limited to, implied warranties of merchantability or fitness of the article for a particular purpose. In no event will the Licensor, its employees, and its agents have any obligation or liability arising from tort or for loss of revenue or profit or for incidental or consequential damages.

b. It is the sole responsibility of the Licensee to undertake a thorough search for

third party patents before selling any Product in any national market, and the Licensee agrees that the Licensor, its employees, and its agents shall not have any liability for infringement of any patent as a consequence of the manufacture, use, or sale of any Licensed Product or by reason of any other use of the technology by the Licensor.

10. NOTICES

All notices required to be served on the Licensee under the terms of this License shall be deemed to be duly served if the same shall have been delivered to, left with or posted by Registered Speed Post Mail to the Licensee at its last known place of business or the Registered Office.

11. ENTIRE AGREEMENT

This Agreement contains the entire agreement and understanding between the parties with respect to the subject matter herein and supersedes all prior discussions and other writings, except for those specifically referred to herein. This Agreement shall not be modified except in writing.

This License shall be sole repository of the terms agreed to between the parties and no amendment thereof shall take effect and will be binding on the Licensor unless such amendment is authorized by the Director of the Licensor and is recorded in writing and signed by both Licensee and the Licensor. The Application Form for acquiring License from the Licensor shall form a part of this License Agreement.

SEVERABILITY

If any part of this Agreement is declared or held invalid by a court for any reason, the invalidity of that part will not affect the validity of the remainder which will continue in full force and effect and be construed as if the Agreement had been executed without the invalid portion.

12. SAVING PROVISIONS

- (A) Notwithstanding anything herein contained, the Licensor shall always have the right to disclose and provide to the Central Government or its authorized representative, agency or undertaking, the KNOW-HOW and for the relative PROCESS, to use and practice the same for the purpose of experimentation and/or further research or development thereof, with the right to sell and vend the

ARTICLE in such manner as the Central Government may, in its judgment decide, for "Government purposes", or otherwise in public interest.

(B) The rights of the Licensor hereunder are cumulative and not mutually exclusive.

13. DISPUTE RESOLUTION

A.(i) If any dispute or difference arises between the parties hereto as to the construction, interpretation, effect and implication of any provision of this license agreement including the rights or liabilities or, any claim or demand of any party against other or in regard to any other matter under these presents but excluding any matters, decisions or determination of which is expressly provided for in this license agreement, such disputes or differences shall be settled under the Rules of Delhi International Arbitration Centre, New Delhi by Sole Arbitrator to be appointed out of the Panel of Arbitrators of Delhi International Arbitration Centre (DAC) with the consent of both the parties failing which the aggrieved party shall approach to the Court of Competent Jurisdiction for the appointment of Sole Arbitrator in accordance with the Arbitration & Conciliation Act, 1996 (as amended /modified from time to time) and rules framed there under for the time being in force (the ACT) and the reference to arbitration shall be deemed to be submission within the meaning of the ACT.

(ii) If however, the Licensee does not make any claim or demand or raise any dispute or difference in terms of this Clause within one year from the date on which such claim or demand arises, the Licensee shall be deemed to have waived and abandoned such claim or demand or the right to raise such dispute or difference against the Licensor.

(iii) (a) The venue of the arbitration shall be at Delhi International Arbitration Centre at New Delhi.

(b) Each party shall bear and pay its own cost of the arbitration proceedings unless the Arbitrator otherwise decides in the Award.

(c) The provisions of this Clause shall not be frustrated, abrogated or become inoperative notwithstanding this license agreement expires or ceases to exist or is terminated or revoked or declared unlawful.

B. The High Court of Delhi at New Delhi and Courts subordinate to it shall have exclusive jurisdiction in all matters concerning this agreement including any matter arising out of the Arbitration proceedings or any Award made therein.
