

**Book: Objective Agricultural Entomology on Competitive View (JRF, SRF, ARS, NET, Ph D-IARI, SAUs ENTRANCE) Vol:1**

Entomology is a biological science dealing with a specific group of organism, the insects. Insect constitute the largest class of the whole living organism. The general understanding of the subject of entomology is must and till date though there is lot of literature and reviews available, enormous effort is required to arrive at correct conclusions. So this way, I have tried to put my level best to put the information in the book related every aspect of competitive examination of entomology. This book has been prepared on the persistent demand of the student who to require themselves to adopt entomology as a professional carrier.

This book furnishes a detailed account of basic as well as applied entomology, agriculture and statistics. The book provides an outline of various aspects of the science of entomology and agriculture in object and written question-answer form. The objective and written questions have been designed so as to expose the student to all the important competitive examination of entomology. The book would have useful to students' preparation for various competitive examinations conducted by Indian Council of Agricultural Research (JRF), Agricultural Scientific Recruitment Board (ARS/NET), National Academy of Agricultural Research Management (SRF), Indian Agricultural Research Institute (Ph. D entrance), University Grant Commission, State Agricultural Universities (Pre-PG, Ph. D. entrance), Union Public Service Commission, other agencies and also useful to teachers to keep them abreast with recent developments in entomology and guide their students to a better future.

### **About the Author**

He is presently working as scientist (Agril Entomology) at Central Institute for Arid Horticulture (Indian Council of Agricultural Research), Bikaner, Rajasthan, India. He did his Ph D in Insect Taxonomy (Entomology) from Maharana Pratap University of Agriculture and Technology, Udaipur (Rajasthan). He has published 11 research papers in reputed peer reviewed journals. He has honoured with best scientist award '**Rashtriya Gaurav Award**' from IIFS, New Delhi.

### **Other Details of Book:**

**Title:** Objective Agricultural Entomology on Competitive View Vol: 1

#### **Authors:**

<b>Name</b>	<b>Present address</b>
Dr. Shrawan M Haldhar	Scientist, Entomology, Central Institute for Arid Horticulture, Beechwal, Bikaner (Raj.)-334 006

**Pages:** 448

**Price:** Rs 340

**Year of Publication:** First Edition, 2010  
: Second Edition, 2012

**Publisher:** New Vishal Publications,  
E-153, West Patel Nagar, New Delhi-110008
