

446. Saroj, P.L., Raizada, A., Singh, Charan and Singh, Lakhan. 1994. Agroforestry systems in Doon valley. *Agrarians Move*, III: 18-19.

Attempts to analyse the information gathered through a diagnostic survey conducted by multidisciplinary team during 1993-94 in lower region of Chakrata Tehsil in Dehradun district to study the agroforestry systems adopted by the farmers of this region. Authors have offered a few important suggestions and research needs are also identified.
