

454. Sharda, V.N., Singh, P.N. and Juyal, G.P. 1990. Evaluation of conserv

bench terraces in Doon Valley. Post Symp. Proc. Internl. Symp. on "Water Erosion, Sedimentation and Resource Conservation", Dehradun, Oct. 09-13, 1990: 142-146.

The paper highlights the benefits of Conservation Bench Terrace (CBT) System indicating that it presents a viable alternative to conventional cultivation practices in Doon Valley in improving the crop yields through conservation of runoff and reduction in soil loss.
