

523. Sreenathan, A., Thomas, P.K. and Rege, N.D. 1965. Effect of bulky organic manures on the yield of potato crop in the Nilgiris. *Agric. Res.*, 5(2): 155.

The article suggests the use of FYM in combination with Nanjanad fertilizer to restore the fertility and productivity of the bench terraces in Ootacamund (Nilgiris) where potato is the most important crop.
