

- 1366. Bhatt, P.N. 1987.** Lab to Land Programme. Souvenir, Inauguration of the new Office-cum- Research Laboratory Building, CSWCRTI, Dehradun, Dec. 12, 1987: 36-39.

The article presents salient achievements in crop yields in demonstration and non-demonstration fields under Lab to Land Programme for four phases (1979-82: 1st phase; 1982-84: 2nd phase; 1984-86: 3rd phase and 1986-88: 4th phase) made by the CSWCRTI, Dehradun and its Research Centres in various agro-climatic regions. It was indicated that programme, on the whole, was so successful that there was increasing demand from adjoining farmers to cover their villages under this programme.
